December 2018

Dear Friends,

The Rockingham Free Public Library opened to the public over 108 years ago and since then not only has the Library expanded in size, the very nature of library service has been transformed.

Along with more diverse collections, we now provide a place where people come for community events, local history resources, technology assistance, downloadable audiobooks, online databases, employment searches, programs, exhibits, children’s services, and general information. This happens while the Library is also part of the community’s greater social services and educational network.

Last year we welcomed thousands of visitors, hosted over 250 programs, and circulated more than 36,000 items, showing clearly that the Library is valued. While public funding provides us with a strong financial base, your donation helps to provide the necessary funds to maintain the Library’s services that nourish and enhance all of our lives in this community.

Simply put, we could not do what we do without both public and private support. Today we ask you to support our efforts with a tax-deductible gift to the Library’s 2018 annual appeal. You may return the enclosed form and gift by mail, or drop it off at the Library. *Every* gift of any amount makes a difference to our Library. *Thank you!*

Sincerely yours,

John Bohannon
